

STARR CANCER CONSORTIUM

Memorial Sloan Kettering
Cancer Center

Weill Cornell
Medicine

Virtual Retreat

Hosted on-line by Cold Spring Harbor Laboratory, May 3-4, 2021

Platform Presentation Instructions

25-minute slot: a 20-minute talk and 5 minutes for questions

Oral sessions will be Zoom webinars, in which each session's chairs and speakers are promoted as panelists to be able to share audio/video and their own PowerPoint presentations. Session chairs handle questions orally from the other panelists, and via the Q&A text box from the general audience. All participants must register on Zoom and be authenticated by CSHL to have access to the Retreat. Registration information for Zoom and Slack will be emailed to all registrants a few weeks prior to the Retreat

Design your presentation to include: title, project outline, and acknowledgements, as per layout on the following page and provided in the SCC presentation PowerPoint template.

Please note the following:

- *Present the scientific progress made in the SCC-funded project, i.e. the latest data/findings*
- *The talk must include work from the PI and co-PI laboratories*
- *The PI or one of the co-PIs should speak*
- *Presentations should **not** be a repeat of the grant proposal*

Abstract:

An abstract of the presentation will be included in the retreat meeting book.

You must use the SCC abstract template (available at <https://www.starrcancer.org/annual-retreat>)

Abstracts must be sent to: SCC@mskcc.org by **March 25**
